

**37% Cost savings with mTS Steri-Tücher!**

## mTS STERI-Tücher

### Revolutionizing Hygiene and Costs

Transform hospital hygiene with mTS Sterilization-sheets! Designed for 80+ uses with 99% antimicrobial efficacy, they cut costs for instrument wrapping by 37% while meeting top CSSD standards. A blend of German engineering, Swiss technology, and Indian craftsmanship ensures unmatched benefits for OR-teams and patient safety.

Engineered in **Germany**

- **Superior quality:** 4x longer use than cotton wraps, tear resistant, no lint.
- **Half wrapping time:** 2 bonded sheets, easy to fold, no spring back.
- **Longer shelf-time:** prevents re-contamination, no re-processing.
- **Sustainable:** More uses, less waste, recycable, no harm for environment.
- **Compliant:** Medical device class I.
